Dear Valued Customers,

**Re: Restriction of Hazardous Substances (RoHS) Declaration**

We wish to express our deepest appreciation for your excellent support towards our TORAYCON PBT resin. Toray Plastics (Malaysia) Sdn. Bhd. (TPM) herein declares that TORAYCON PBT resin, namely 1050M, 1100M, 1200M and 1200MF comply with **European Union (EU) RoHS Directive 2011/65/EU** Requirement as listed in the following table. The substances are not intentionally added in any production stage, to best our knowledge.

**Table 1: RoHS Prohibited Substances**

No.	Substances	Limit (ppm)
1.	Cadmium and cadmium compounds	100
2.	Lead and lead compounds	1000
3.	Mercury and mercury compounds	1000
4.	Hexavalent chromium compounds	1000
5.	Polybrominated biphenyls (PBB)	1000
6.	Polybrominated diphenylethers (PBDE)	1000
7.	Di-butyl phthalate (DBP)	1000
8.	Diisobutyl phthalate (DIBP)	1000
9.	Butyl benzyl phthalate (BBP)	1000
10.	Di-(2-ethylhexyl phthalate (DEHP)	1000

In view of the many factors that may affect processing and application of our products, these information do not relieve user from carrying out own investigation and test, neither do these data imply any guarantee, or warranty for certain properties, uses, suitability, safety, hazards or health effects. This information relates only to the above mentioned materials as delivered in their original packaging. Besides, it does not relate to any product made of these materials with or without the inclusion of further additives. Thus, TPM makes no warranties, express or implied and assumes no liabilities in any use of the information.
