Dear Valued Customers,

Re: Restriction of Hazardous Substances (RoHS) Declaration

We wish to express our deepest appreciation for your excellent support towards our TOYOLAC_{TM} ABS resin. Toray Plastics Malaysia Sdn. Bhd. (TPM), herein declares that all resin products as listed in **Table 1: TOYOLAC_{TM} Resins** (Natural and Standard Black* color) supplied by our company comply with the **European Union (EU) RoHS Directive 2011/65/EU** requirement. The substances listed in Table 1: RoHS Prohibited Substances below are not intentionally added in any production stage, to best of our knowledge.

In view of the many factors that may affect processing and application of our products, these data do not relieve user from carrying out own investigation and test, neither do these data imply any guarantee, or warranty for certain properties, uses, suitability, safety, hazards or health effects. This information relates only to the above mentioned materials as delivered in their original packaging. Besides, it does not relate to any product made of these materials with or without the inclusion of further additives. Thus, TPM makes no warranties, express or implied and assumes no liabilities in any use of the information.

Should you need further clarification, please feel free to contact us.
